**Speaker:** Tom Eaton

**Series:** Followers of Jesus

**Title:** Followers Who Go

It is important to know where we have come from if we are to go.

Eph 2: 11-22 reminds the Church at Ephesus that they were once separated but now brought near; the dividing wall of hostility (between Jew and Gentile) demolished. It is the same for us.

Through us, God is demonstrating his glorious goodness, greatness, plans. God is more glorified in diversity than in unity.

We are therefore to 'go' and tell others, 'go' and show others what God is like.

That may mean 'going' to another country, it may mean 'going' to your neighbor, but we are called to be those who 'go' into all the world.

We go in the power of the Spirit

You never know what your going may result in; who you touch, who in turn may then touch others.

**Questions:**

- Where is God asking you to 'go'? (This could be a nation, your work colleague, Mum at the school gate, someone you see in the Supermarket...etc.)
- What is stopping you from going?
- Spend some time praying for those who have a heart to 'go' to another country/town etc.
- And/or spend some time praying for Josh and Sonia as they plan to 'go'. Pray for more men and women to join them, wisdom as they prepare, increasing love for the nation, doors of opportunity to open for them.
